RAZER PAY GAINS 300,000 USERS IN MALAYSIA WITHIN 48 HOURS

6 JULY 2018, KUALA LUMPUR - Razer is pleased to announce that the launch of Razer Pay in Malaysia has received a resounding response.

Within 48 hours from the launch of Razer Pay on 4 July 2018, over 300,000 users in Malaysia downloaded and signed up for the Razer e-wallet app designed for youth and millennials. This could be a speed record for e-wallet adoption in the region.

Also within the same 48 hours, over 11,000 transactions were made by first-time Razer Pay users at Berjaya Group stores (such as 7-Eleven and Starbucks), generating over RM110,000 worth of donations to the Tabung Harapan Fund by the Berjaya Group.

Said co-founder and CEO of Razer Inc, Min-Liang Tan: “Razer Pay launched globally in Kuala Lumpur and we are heartened by the incredible response from users. We will continue bringing more services and improvements to the app, and we thank users in Malaysia for their confidence in Razer.”

Bonus Credits – Limited Quantities Left

From 4 July to 30 Sep 2018, users who sign-up for Razer Pay will receive RM10 bonus credits as part of the launch celebrations.

To get started, download the Razer Pay Malaysia app from iOS App Store or Google Play Store. Upon successful sign-up with a valid local mobile number, users will receive RM10 bonus credits to spend for in-store purchases.

The bonus credits can be used for in-store purchases (eg. buying coffee from Starbucks or over-the-counter purchases from 7-Eleven). The bonus credits cannot be used for other services such as in-app purchases of Mobile PIN reloads, game PINs and entertainment services.

The bonus credits are non-transferable, cannot be exchanged for cash and will expire after 90 days from account activation. The total bonus credits are capped at RM5 million, so there are less than 200,000 sign-ups available before the launch promotion ends.

Tabung Harapan – Let's Help Malaysia!

As a partner to Razer Pay, Berjaya Corporation Berhad has pledged to donate up to RM5 million to the national Tabung Harapan fund.

The fund was set up by the Ministry of Finance Malaysia on 30 May 2018 as a crowdfunding initiative to reduce the country's national debt.

From 4 July to 30 Aug 2018, Berjaya has committed to donating RM10 with each first-time use of the Razer Pay wallet at participating Berjaya outlets - 7-Eleven, Starbucks, Singer, Cosway, Greyhound Café, Wendy's, Kenny Rogers, and Krispy Kreme.
